Grading:

The CR/NC grade is the only option and will be awarded to all who successfully participate in a community gardening or school gardening project.

A "W" (Withdraw) grade will be given to students who hand in a drop card between the 4th and 14th week (between 30% and 75%) of the course. A course dropped before the 4th week (30%) will not show up on your transcript. Any course not dropped by the 14th week (75%) MUST be assigned a letter grade A-F.
